“
I would recommend Auckland to my friends. It has great teachers and a beautiful campus.
 Hsu-Chiao Lin, Taiwan

Auckland

- Climb to the top of Mount Eden for an amazing view of Auckland
- Go black water rafting through the caves of Waitomo

“
Everyone seems to be happy, friendly and relaxed in Brisbane. I see my language and confidence in using it improving day by day, in class and in tests, which is great as I want to use it in my career.

Roberta Aliatis, Italy

Brisbane

- Meet and learn about some of Australia’s wildlife at the Lone Pine Koala Sanctuary
- Eat, drink and relax in and around South Bank and City Beach

“
The teachers at Kaplan are very friendly, kind, patient and helpful, and the teaching method is original and innovative. I always look forward to the next class.

Adriana Klaudia Byrska, Poland

Adelaide

- Check out one of the many music and arts events in the capital of Australia’s aptly nicknamed “Festival State”
- Tour the nearby vineyards

Cairns

- Go on a Daintree River crocodile cruise
- See native wildlife at Cairns Tropical Zoo
- Relax, swim or take a free exercise class at the Cairns Esplanade Lagoon

“
Staying in a homestay helped me to improve my vocabulary and listening. Practicing my English, speaking with new friends, diving the Great Barrier Reef and having fun in classes has meant I’ve had a great time.

Kaiji Watanabe, Japan

Perth

- Take a trip to the beautiful Rottnest Island to see the distinctive quokkas native only to the island
- Visit the Swan Valley wine region and the Caversham Wildlife Park

Perth is an extraordinary and magnificent city. The closest beach is less than 20 minutes away from the school so you can watch the gorgeous sunset every day after class.

Sukthawee Jitpaisanwattana, Thailand

Sydney City has a great school environment, the staff and teachers are amazing. I really liked the surf camp, skydiving and barbecues on the beach.

Carolina Piza, Colombia

Sydney City

- Swim and relax at the world-famous Bondi Beach
- Explore the many local craft markets
- Take a trip to the scenic Blue Mountains

Melbourne is AMAZING! I love walking around the streets, but the best thing about the city is the friendly and supportive people. I enjoyed my stay with Kaplan International very much.

Julia Jedersberger, Germany

Melbourne

- Shop in the many malls and boutiques
- Enjoy Melbourne's café culture and laneways or visit St Kilda's Luna Park

Sydney Manly

- Study, play sport or learn to surf at Manly Beach, which is just across the road from the school
- Visit Taronga Zoo and learn about Australian wildlife

I really enjoyed the barbecues organized at Shelly Beach and when we played volleyball and football against the teachers.

Maximilien Richard De Foucaud, Belgium
